Juan,

Our last removal was December 27. Although we find the homeless people cooperative in moving out, we know that they gradually return to the northwest corner of the park. Morning removals are effective for us, as we need access to the area for regular cleaning and maintenance practices.

We will return asap, possibly today. (lots of work in CD13 yesterday at Hollywood RC and LA River Bikeway)

Juan,

Thank you for the info. It will be my priority next week. I have training tomorrow then will be off until Tuesday. I was out at the park today with Abner and Gutierrez and we issued citations for illegal lodging related offenses.

Hello Team,

I just wanted to flag an email the Councilmember sent to me from a constituent regarding the increase of homeless within the park. He mentioned he has noticed an increase of tents within the park so if there is anything we can do to increase enforcement please advise.

He was also flagged via Facebook about the graffiti within the park and around the play area and benches.

Please let me know if there is anything I can do to help.

Dear Mr. O'Farrell,

I am one of your constituents in Echo Park. There has been an increase in homelessness and camping in the park in the last few weeks. There has also been new graffiti in the park. This is a family park where I walk my dog and it no longer feels safe even during daytime hours. Please help in restoring our park.

Attached is a photo of the walkway in the Park.

Thank you for your help.

Best,

Diana Glasser
